ABOUT DESIGN TEAM LIMITED (DTLNIG.)

DesignTeam Limited is a privately held Engineering, Procurement and Construction company, strategically positioned to provide integrated Engineering, Procurement and Construction solutions to the energy and power sectors.

We are a Total Quality company managed by a dynamic team, leading by example - sharing vision, fostering teamwork, and applying the principles of Continuous Process Improvement.

Design Team has been Audited and published by Nipex.

SCOPE OF SERVICES

DESIGN TEAM LTD
NIGERIA
7 AJE STREET SABO
YABA

ENGINEERING & PROJECT MANAGEMENT

- Basic and Detailed Engineering,
- Conceptual Engineering,
- Field Engineering services
- As-built drawings preparation.
- Shop Fabrication Drawings
- Feasibility studies
- Data conversion
- Consulting services

PROCUREMENT

- Buying House, Contract Administrations, Estimators, Expeditors, Long Lead Items,
- Local and International Purchasing
- Vendor Packages,
- Engineering Materials and consumables

CONSTRUCTION

- Engineering Constructions, Construction Technical services
- Weld Mapping / spooling
- Construction Drawings
- Fabrications of Structural, Pipes, and Pipelines,
